Slide title

You may need to add some space after the frame title

`\setlength{\frametitlemargin}{10mm}`

Using an empty frametitle or not using it, you will need to add initial space by yourself. To have an "empty" frametitle you can use

`\emptyframetitle`

If you do not want any titles in a frame, you can use

`\noframetitle`

UNIVERSITY OF
BIRMINGHAM
Department of Computer Science

Short author(s)
Short title

Using

`\noframetitle`[0mm]

As above, you may want to use the same command with a length to specify where (vertically) the text should begin.

Single title

If you need just a simple title you can use

`\framesingletitle{your title}`

You may want to use the same command with a length to specify where (vertically) the title should begin.

`\framesingletitle[0mm]{your title}`
